

PUBLIC GRAINS

LOCAL GRAINS. REAL FOOD.

HOW ORDERING WORKS

Most offices simply choose a package based on group size. Each package includes sandwiches, sides, and cookies for a complete, ready-to-serve meal.

We prepare each package using the suggested sandwich mix listed, which creates a balanced selection for the group. If you'd prefer different sandwich varieties or simple add-ons, just let us know when ordering.

Our focaccia sandwiches are cut into individual portions and arranged on catering boards for easy sharing. Each piece is designed as a satisfying single portion.

We plan for about one sandwich per guest, though many offices add a few extra to ensure everyone is well fed and there's a little room for seconds

To start an order, email hello@publicgrains.com with your event date, group size, and selections
